

## CALGAZ 34

For nearly 40 years the Calgaz brand has been synonymous with unsurpassed quality, reliability and service. To ensure consistent, high-quality products and services, we routinely incorporate best practices in our production processes. Our products and processes are constantly measured against rigorous quality standards as we pursue our goal of being a world-class leader in the calibration gas industry.

Calgaz creates partnerships with our customers in order to understand their needs and provide solutions that exceed their expectations.

**If it's important to our customers, it's important to us.**
